

Path to become a

SPECIAL WAQF-E-NAU

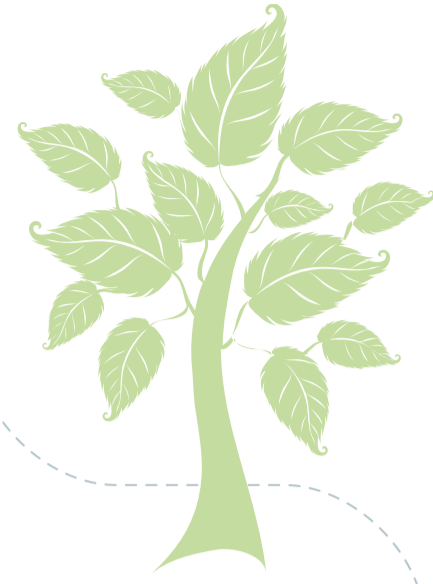

"Waqf-e-Nau are very special, but they will have to prove to be special"

Hazrat Khalifatul Masih V (aba)

KNOW YOUR PURPOSE

1

As a Waqf-e-Nau, you are truly a Waqf-e-Zindagi (Life Devotee) at birth. You must instill the love of Almighty Allah & build a strong bond with Khilafat at an earlier age. You must remember, you can only be special if you let go of all ordinary things in your life.

STAY CONNECTED

2

As a Waqf-e-Nau, you must stay connected with Jama'at in attending all Auxiliary, Jama'at & Waqf-e-Nau programs.

Write to Hazrat Khalifatul Masih (aba) with any guidance you may need. Reach out to the Waqf-e-Nau Department for any assistance, counseling, Waqf-e-Aarzi or to connect you with experts.

3

AGE 15 - REDEDICATE

As soon as you turn 15, you must **rededicate** and renew your bond with Hazrat Khalifatul Masih (aba) that you will serve Jama'at. This is a critical & mandatory milestone of a life of a Waqf-e-Nau.

AGE 16 - DO WASIYYAT

4

A Waqf-e-Nau is a Waqf-e-Zindagi in essence by birth and need to lead by example. Ideally, you should say Labaik to the call of The Promised Messiah (as) by joining the blessed Nizam (system) of Wasiyyat.

5

AGE 18 - START EDUCATION

After high school graduation, you have now either started at Jamia Ahmadiyya Canada to become a Murabbi or started at a University with the guidance of Huzur (aba)

6

AGE 22 / 23

You have now completed your education at a University. At this time you should fill the **Professional Particular Form** on Waqfenau.us and write a Letter to Huzur (aba) with your aptitude & seek guidance on next steps. You should also reach out to the Waqf-e-Nau Department as well.

7

RECEIVE GUIDANCE FROM HUZUR

You must write to Huzur (aba) and seek guidance on the next steps of what you should do. Huzur (aba) may instruct you to continue studying, start working in a certain field or ask you to start serving Jama'at right away.

8

AGE 23+ / FINISHED EDUCATION

If you have finished your education & are over the age of 23, you should write to Huzur (aba) every year seeking guidance and requesting to serve **full-time as a Life Devotee**.

You should stay in touch with WN Dept & fill Professional Particular form Every Year.

TIME TO TAKE ACTION

If you are done with school, offer yourself to Jama'at by sending a letter to Huzur-e-Anwar (aba)

If you are over 14 & are in school, you must rededicate to renew your bond of serving with Huzur-e-Anwar (aba)
